PROENERGY ATTENDS 2009 ELECTRIC POWER SHOW

ProEnergy Services recently joined more than 500 power industry specialists for the 11th Annual Electric Power show. The event, produced by the TradeFair group, was held at the Donald E. Stephens Convention Center in Rosemont, Illinois, near Chicago.

The international trade show focused on providing new information and trends in the industry, with over 400 speakers and 100 sessions to hear from and talk with industry leaders and learn about the latest technologies.

ProEnergy Services is an integrated service provider that delivers cost-effective, safe and reliable service to the global energy industry. The company has U.S. offices in Sedalia, MO; Atlanta, GA; Houston, TX; Tulsa, OK; and overseas locations in Argentina, Mexico, Venezuela, Pakistan, Panama and Ghana. More information is available on its website at www.proenergyservices.com.
